Product Description
Barb Wire

Barb Wire available in a 500m reel x 1.6 in Hi Tensile (also known as Hi-Tensile, and High Tensile). This Barb Wire product is just part of the large range of wire products available.

Also known as Barbed wire, this steel wire is commonly used as an inexpensive **fencing** option on top of walls and other wire fences to provide security to a property. This wire is made up of very sharp edges or points arranged at regular intervals along the wire strands.
