

Dome Swage Nuts

Product Page: <https://www.abaconproducts.com.au/product/dome-swage-nuts/>

Product Description Dome Swage Nuts

These Dome Swage Nuts, produced of quality stainless steel type 316 are available in 3mm, 5mm and 6mm sizes. Featuring an attractive curved top with a high shine finish. Part of balustrade and marine equipment range. Pick up stainless steel dome swage nuts from our Melbourne factory or delivery Australia wide.

The type 316 stainless steel dome swage nut is 'marine grade', which contains molybdenum making it resistant to corrosion. Ideal for use in extreme conditions, and environments subject to ocean spray, mist or high chloride.
