

Dome Threaded Nuts

Product Page: <https://www.abaconproducts.com.au/product/dome-threaded-nuts/>

Product Description Dome threaded nuts

Dome threaded nuts, made out of quality stainless steel and produced in 5mm and 6mm sizes. Part of balustrade and marine equipment range in Melbourne.

The type 316 stainless steel threaded nut is 'marine grade' and resistant to corrosion. Ideal for use in extreme conditions, and environments subject to ocean spray, mist or high chloride.

As with our entire [Balustrade](#) and [Marine](#) range, dome threaded nuts are for both retail and wholesale sale. Ultra competitive factory direct pricing. Collect from

our Melbourne factory or delivery can be arranged Australia wide.
