Victorian pool fencing laws

All swimming pools and spas on residential properties in Victoria with a depth greater than 30cm (300mm) are required to be surrounded by a safety barrier (e.g. a pool fence).

Additional requirements for pool barriers.

- Safety barriers must be a minimum of 1.2 metres high.
- Barrier gates must be self-closing and self-latching. [Find out more](#)

Need another product variation or quantity. We can help with that too! [Contact us](#) today for more information.

Pick up or delivery
