

Reinforcing Mesh

Product Page: <https://www.abaconproducts.com.au/product/reinforcing-mesh/>

Product Description Reinforcing Mesh

Reinforcing Mesh comes in flat sheets and is available in various size options. It is made of a welded wire prefabricated steel material especially used to provide support for concrete. The wire is welded in a square or rectangular grid pattern, and primarily used to provide strength and reduce cracks in concrete slabs. This Commercial Mesh is part of the large [Mesh](#) and Wire Mesh Range including; [Chicken Wire](#), [Hinge Joint Wire Mesh](#), [Welded Mesh](#), [Heritage fencing](#). Ask for a product specific to your requirements.

Need another product variation or quantity. We can help with that too! [Contact us](#) today for more information.
